## **Supervisors Approve School Improvements at Baldwin Lane Elementary**

Supervisor Dennis Hansberger is pleased to announce that the Board of Supervisors approved a contract with Bear Valley Unified School District for \$54,174 for the construction of water and sewer lines, and installation of washbasins, drinking fountains, and restroom upgrades that comply with the Americans with Disabilities Act at the State Preschool facility at Baldwin Lane Elementary School. "I believe it is of the utmost importance for our schools to remain in excellent condition for our kids. More importantly, it is crucial that we ensure accessibility to those who are physically impaired," said Supervisor Hansberger.

The contract also includes the maintenance and operation of the preschool for of underprivileged families in Sugarloaf and the surrounding communities within the Third Supervisorial District.
